

## BAMBI RALLY March 19<sup>th</sup> – 21<sup>st</sup>

This rally was held within the car park at Carmichael Heritage Visitor Centre, Carmichael.

The weather was again kind to us with warm sunshine during the day but very cold at night.

Due to transport problems the Chairman was unable to attend this rally and the opening was carried out by yours truly after which home made soup was served.

On the Saturday afternoon some fun games were organised on the field to which several ralliers participated.

The social held within the tearoom at the venue was three games of bingo followed by the game of "Who wants to be a millionaire".

Midway through the evening a lovely buffet spread was laid on by the marshals after which the game continued. (Contrary to any rumours no millionaire left the field)

Lots of fun banter and laughter continued throughout the evening with prizes to the winners.

Sunday came and after the competition results, lucky vans and tea/coffee served it was time for the rally to close.

Although the numbers attending were low everyone had a great time.

A very good rally for a first attempt by Fred and Marion. (Keep up the high standard you set yourself)

Gordon Hynd
